NOW PLAYING: Instantly control what is playing in every room, view cover art or check the queue for what is coming up next. Create and save playlists.

*Availability of music services may vary by region. Not all services may be available at time of purchase. Some services may be added or discontinued from time to time based on decisions of the music service providers or others. Visit www.HEOSbyDenon.com for announcements and details.

KEY FEATURES:

The HEOS 1 produces amazingly big sound from a compact, portable speaker. Enjoy streaming music from the cloud or local files using the intuitive HEOS app for iOS, Android™, and Kindle™.

The compact enclosure houses custom dual drivers including a wide range mid-woofer and precision dome tweeter, the HEOS 1 enclosure is sealed for humidity resistance, making it ideal for use in a humid environment, such as a bathroom.

The HEOS 1 features advanced DSP (Digital Signal Processing) to deliver full range sound, with custom EQ sound tailoring that helps deliver a smooth, natural tonal balance, along with dual channel Class D digital audio amplification.

- Listen to your favorite music in any room in the home
- Sound is optimized via precision acoustical processing algorithms that originated in top recording studios
- Use 2 HEOS 1 speakers for stereo, perfectly synchronized
- USB jack and analog line input jack lets you connect your device directly
- RJ-45 LAN port for direct connection to the network
- Volume up, volume down, power on/off button
- AC power adapter included
- Optional Go Pack features a rechargeable lithium-ion battery that delivers up to 6 hours of playback time, a USB Bluetooth® wireless streaming adapter, a silicone Splashguard to seal the jacks and ports to protect from splashing water
